Directions

Creating Pins: To add beads to the safety pins, hold one opened safety pin with the point facing away and up. Add beads as shown in the table at the bottom. Begin putting beads on the pin, starting with the beads listed on the bottom and working your way to the head of the pin. PLEASE NOTE: Beads should appear in the same order as shown below. (Make sure to create the number of pins needed of each type, & keep pins separate. 110 Pins Total.)

Step 1: Cut your wire into 2—12" and 4—18" pieces.
